Company Description

THE EDESIGN BRAND

EDesign Consulting is an E-Learning consulting firm that specializes in e-learning, course development, instructional design, e-training, and performance development learning solutions serving clients domestically and abroad.

EDesign Consulting has provided Integrated E-Learning Consulting as well as Computer-Based Training Services and Materials to government, higher education, and corporate clients. Our reputation for success is due to years of delivering superior customized E-Learning Services worldwide.

EDesign Consulting's mission is simple...to be the niche-market leader in ELearning, ETraining, and EDesign.

What We Can Do For You

EDESIGN'S PROMISE

EDesign Consulting's goal is to partner with clients to assess, envision, develop and execute powerful training and development that increases productivity, improves performance, and inspires continuous focus on excellence through a wide range of solutions.

EDesign Consulting can work with you to capture the material, interpret it, organize it, re-arrange it and piece all the information together in the most engaging program possible.

EDesign Consulting's team consists of Senior Project Managers, Instructional Designers, Course Developers/Writers, E-Learning Consultants, Course Facilitators, Instructors, Training & Development Specialists, and SMEs who provide one-to-one E-Learning Consulting, E-Training and E-Design Services.
